

HELPING TO PREPARE YOUNG PEOPLE FOR THE WORLD OF WORK

Livery Schools Link is a voluntary organisation that aims to promote support for schools in the Greater London area by the Livery Companies of the City of London and their members.

Our aim is to assist children and young people from less advantaged backgrounds to receive an enhanced educational experience at school and to have their personal aspirations raised, thereby increasing their employability and career options.

We seek to act as the link between schools in need of help and members of the Livery who wish to offer assistance in any form.

After a successful pilot, on Wednesday 6 September, we held the official launch of the LSL Volunteering Platform where our objective now is to encourage more schools to join the platform and to reach out for more volunteers (currently we have 23 schools and 55 volunteers which is a great start).

To help promote to volunteers within Livery Companies, we have the news article above as a resource you can now link to. I've also attached PDF versions of leaflets we have created that can be emailed to potential volunteers and any schools that you consider would benefit from the support being offered on the platform.

Our Livery Company was in the pilot that led up to the launch and is signed up ready to accept volunteers.

You could join us in Tweeting and promoting on social media (or retweeting what we posted on Social Media with a comment):

HELP YOUNG PEOPLE IN SCHOOLS DEVELOP VITAL SKILLS FOR THEIR FUTURE!

The Livery Schools Link Volunteering Platform helps Livery Companies and their members to sign up and easily find opportunities to support schools and their young people.

MOTIVATIONAL CAREER TALKS

Give a talk to a class or an entire year group on topics such as how you moved from education into work and share your unique career insights and advice.

"It's such a great way for Liverymen to get involved and give something back. We are really proud to be taking part."

Clerk of Worshipful Company of Grocers

BRINGING CAREER DAYS TO LIFE

This would mean having café conversations/speed networking in small groups, mock interviews and providing CV tips and advice.

"On just one careers day I motivated 180 year 9 and 10 pupils about careers in technology!"
